## WE PRIORITISE YOUR **SAFETY**

Your well-being is our top priority. With over 25 years of experience traversing 41 African countries and covering 250,000 km, Voetspore ensures your journey is secure and enjoyable. **Cross-border documentation** is included, **after-hours collection and returns** are available, and there are **no vehicle cleaning fees** on return.

### OUR COMPREHENSIVE INSURANCE COVER INCLUDES:

- ☑ **24h Tracking Device**
- ☑ **Comprehensive Vehicle Coverage**
  - Coverage extends to damage resulting from unforeseen events, including both single vehicle and multiple vehicle accidents.
  - Our insurance includes protection against damage to windscreens.
  - Equipment inside the vehicle is insured in instances where there are visible signs of forced entry.
- ☑ **Terrain and Overlanding Coverage**

Vehicles are fully insured for use on all types of terrain. This gives clients the confidence and flexibility to engage in responsible overlanding, no matter the nature and demands of the off-road environments encountered. Our vehicles are designed for these conditions, and the coverage matches their capabilities.
- ☑ **Repatriation and Assistance Network**

If a damaged vehicle needs to be returned to South Africa, repatriation costs are fully covered. Our Insurance Underwriters maintain an extensive network of assistance throughout all the countries specified in our geographical coverage, ensuring support wherever your travels may take you.
